### School Logo

Our school logo represents our connectedness as a family. The two children holding hands show that we walk together in love. The cross in the center symbolizes that Jesus is at the heart of everything we do. The window represents that our focus is outward towards the future. Our motto is - "Every Child is a Shining Star." St. Martin's is a school where academic excellence is promoted & all children are expected to do their best. We are helping our students develop a love for learning.
